

## How many/much...?

How many = چند تا

**How many + Plural Countable Noun**

- ✚ How many **books** are there on the desk?
- ✚ How many **cars** do you have?
- ✚ How many **children** does Mr. Jackson have?

How much = چه مقدار

**How much + Uncountable Noun**

- ✚ How much **sugar** is there in the bowl?
- ✚ How much **rice** does he have?
- ✚ How much **money** is there in the piggy bank?

### **Point:**

Some nouns are uncountable in English, but countable in Persian:

Example:

Money

- ✚ How much money do you need?
- ✚ Do you keep your money in the bank?

Information

- ✚ How much information is there?
- ✚ The information in this book is very important.

Homework

- ✚ How much homework did you do yesterday?
- ✚ We have to do a lot of homework every day.

bread

- ✚ How much bread did Mrs. Williams buy?
- ✚ The baker bakes a lot of bread every day.

### **Point:**

Some nouns are sometimes countable and sometimes uncountable:

Chicken

- ✚ There are two chickens in the yard. => chicken = a kind of bird
- ✚ I ate some chicken for lunch. => chicken = a kind of food

Fruit

- ✚ The fruits are on the right. => different kinds of fruits
- ✚ There is some fruit in the basket. => fruit in general
